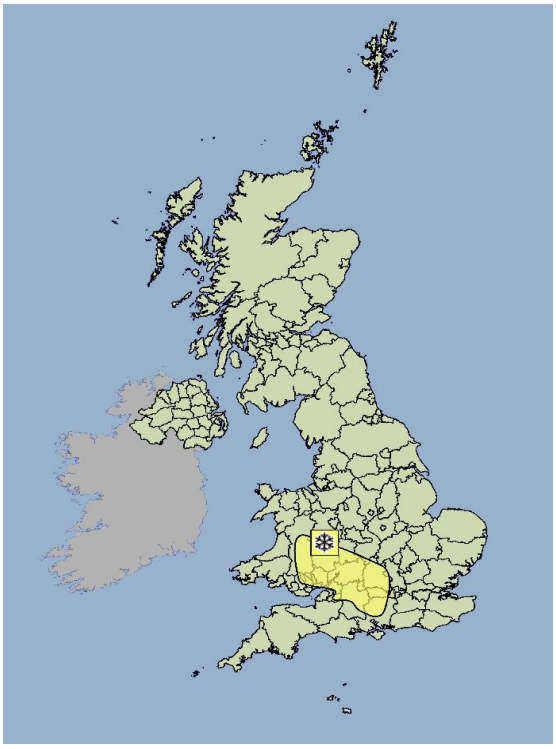
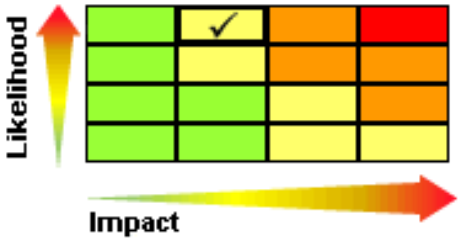
National Severe Weather Warning Service





Chief Forecasters Assessment
Some snow will fall across parts of southeast Wales, southwest and central southern England on Sunday morning. Whilst many areas will see rain or sleet with no snow falling or lying some parts will see small accumulations. Up to 2 cm is possible on low ground with 5 cm possible above approximately 150 m such as the Cotswolds and North Wessex Downs.

The Met Office have issued a **Yellow Warning** of **Snow**

Valid from **08:20 on Sun, 21st Jan 2018** until **12:00 on Sun, 21st Jan 2018**

Some snow will fall on Sunday morning across parts of southeast Wales, southwest and central southern England.

Some roads and railways are likely to be affected with longer journey times by road, bus and train services.
